

Diving Locations in Diani

Shark Alley

This reef has been named after its famous «guitar sharks» and white tip reef sharks. Small corals are situated around the dive site, accompanied by a big coral mound in the middle. A very good reef for beginners.

- Boat Journey: 20 minutes
- Depth: 8 - 22 meters
- Fishes to see: Turtles, Guitar Ray, Stingray, Octopus, Lobster, Porcupinefish, Clownfish, Leaf fish

New Place

Not really new but well known and loved by divers is this 1.8 km long reef ideal for drift dives. The smoothly descending reef slope, starting at 6m in the surf zone down to maximum 21m at the sandy bottom. Turtles are found sitting on top of the coral.

- Boat Drive: 35 minutes north
- Depth: 6 - 21 meters
- Fishes to see: Turtles, Stingray, Cuttlefish, Octopus and Parrotfish

Tiwi

Suitable for all level of experience. Enjoy diving on a wall, examine all small holes and caves. See the octopus adapting to its environment. Watch schools of rudder fish passing overhead and follow the yellowtail barracudas through the reef.

- Boat Journey: 40 minutes north
- Depth: 6 - 20 meters
- Fishes to see: Scorpionfish, Barracuda, Snappers, Sand Eels, Stingray, Moray Eels and Porcupine fish
